

# CCPN AT A GLANCE

## What is the COMMUNITY CARE PHYSICIAN NETWORK (CCPN)?

CCPN is a non-exclusive, high performing network of independent practices working to improve the health of all patients in North Carolina. As a collaborative and physician-led organization, CCPN provides programs and tools to enhance the quality and efficiency of health care services and help control costs while also improving patient outcomes.

### Practice Specialties

### CCPN PRACTICE CHARACTERISTICS

CCPN is comprised of over 2,000 clinicians who have joined together to create an organization where practices can thrive in the changing healthcare payment reform environment.

The majority of CCPN clinicians are centered in family medicine, pediatrics or internal medicine practices. Other providers enrolling include Health Departments, Psychiatrists, Psychologists, and OB-GYN.

### Practice Size

**SINGLE CLINICAN – 31%**

**5 OR LESS – 79%**

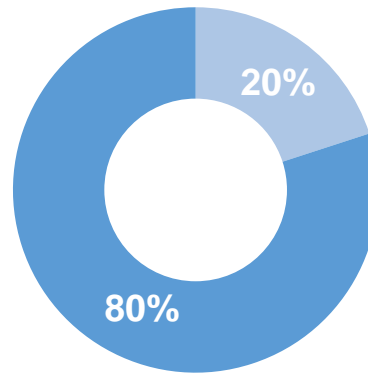

**6 or more – 22%**

## How many Medicaid lives are served by CCPN practices?

**Total Medicaid: 667,653**

Adults: **20%**

Children: **80%**

### Electronic Medical Records (EMR)

CCPN staff work with practices to assist in connecting and standardizing the electronic medical record process. While there are currently a wide range of EMR's, the **most prevalent systems** in use are:

- Allscripts Pro
- eClinical Works
- Practice Fusion
- Greenway Prime Suite
- Athena
- GE Centricity
- Next Gen
- Office Practicum
