

NALBOH National Convention
Raleigh, North Carolina
Strengthening the Public Health Voice
August 8-10, 2018

- You will grow professionally so you can strengthen public health governance on the local and national scene;
- interact with Board of Health members from across the country to advance leadership, board development, health priorities, and public health policy locally, statewide and nationally;
- establish state and national networks to grow and support public health in our state;
- gain ideas to create and improve a culture of continuous quality improvement here in NC;
- have a great time learning, growing and sharing your stories with other local Board of Health members.

Watch for coming information on convention programs and ANCBH scholarships. For more information, contact Dr. Robert Blackburn at (704)434-7926 or Dr. Calvert Jeffers (336)761-0628
